where's my csm calendar?

One of my goals as the CSM program director is to communicate clearly and effectively with our students and parents. In an effort to improve communication, we are moving to a weekly e-mail update to provide information about upcoming activities, group gatherings, teaching topics, etc.

We will continue to mail a quarterly planner that you can post on your fridge or bulletin board to remind you of what's coming up. Details and further information about the things noted on the planner will be found on our website (www.cbcbellevue.com) and in the weekly CSM Update which will be sent to students and parents. If you aren't sure we have a current e-mail address on file, please e-mail vtobin@cbcbellevue.com and she will update our database.

Please feel free to call or e-mail any feedback or questions to me at rdavis@cbcbellevue.com. I would love to hear from you.
